UNIVERSITY OF ILLINOIS AT CHICAGO

HIV TEST COUNSELING PRACTICUM

December 16, 2010 8:30a – 12:00p OR 1:00 – 4:30p

INTENDED AUDIENCE:

Primary care physicians (Internal Medicine, Family Practice, OB), Physician Assistants, Nurses, Social Workers, and Case Managers

PURPOSE:

To help primary care providers improve their HIV prevention and testing skills to reduce transmission of HIV infection and promote early diagnosis.

PROGRAM OBJECTIVES:

In this half-day workshop participants practice performing client-centered HIV test counseling with simulated clients.

PRE-REGISTRATION REQUIRED:

$75 / $30* (*providers serving low-income clients at publicly-funded sites are eligible for subsidized registration.)

The registration fee for this program is waived for staff from Part A funded agencies.

TO BE ELIGIBLE TO REGISTER FOR THIS PRACTICUM, PARTICIPANTS MUST FIRST ATTEND THE MATEC HIV PREVENTION AND TEST COUNSELING SEMINAR OR HAVE EQUIVALENT TRAINING OR EXPERIENCE.

Please register for either the morning session (8:30 – 12:00) or the afternoon session (1:00 – 4:30). Due to the limited size of the practicum, participants must pay a registration fee to reserve a space in the program. Registration will only be accepted when the registration fee is received.

REGISTER ONLINE AT: **www.matec.info**

If you are unable to register online, please call Alicia McDonald at 312-996-1373

Registration closes one week prior to the program date. Confirmation of registration will be sent. If you do not receive confirmation one week prior to the program date please call 312-996-1373. A $25 fee will be charged to persons who do not attend or cancel within 72 hours of the program.

NOTE: MATEC workshops are held in various locations.
Please check your confirmation notice for the location of this program.
