**Thirteenth MATEP HIV Treatment Update:
Update from the XVIII International AIDS Conference in Vienna, Austria
Thursday, September 2, 2010**

There is no registration fee for this program; advanced online registration is required.

Please register at www.matep.org

The purpose of this activity is to:

- 1) Update health care providers on the most recent advances in management of the HIV disease.
- 2) Help physicians familiarize themselves with new antiretroviral medications and information about current treatment strategies that occur on an ongoing basis.
- 3) Present the latest research on most effective care to the HIV patient population.

Program Format:

The program will consist of lectures, case presentations, and an interactive panel discussion.

Target Audience:

This program is designed for Primary Care Physicians, Physicians specializing in HIV disease, Infectious Disease Specialists, Advanced Practice Nurses, Nurse Practitioners, Physician Assistants, Pharmacists, Nurses, and Dentists.

Upon completion of the activity, participants will be able to:

- 1) List the ten most important contemporary issues in HIV management.
- 2) Describe innovative therapies and strategies for the treatment naïve patient.
- 3) Discuss resistance and management of the treatment experienced patient.
- 4) Discuss progress in international ART scale up.

While there is no registration fee for this program, all disciplines requesting CME and CE credits must pay a \$10 fee to receive their certificate.

CME for Physicians:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Illinois at Chicago (UIC) College of Medicine, MATEC, The Hektoen Institute for Medical Research, LLC and MATEP. The University of Illinois at Chicago (UIC) College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Illinois at Chicago (UIC) College of Medicine designates this educational activity for a maximum of 3 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

CME for Physician Assistants:

This program is not yet approved for CME credit. Conference organizers plan to request 3.0 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

CE for IPHA Pharmacist:

The Illinois Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

In order to receive ACPE credit for this program, the participant must 1) Attend the program in its entirety; 2) Provide current information on the Attendance Log Form; and 3) Complete an Evaluation Form. The program's administrator should provide attendees a Record of Attendance Form for their files. All Statements of Credit for ACPE approved – IPHA co-sponsored continuing education that individuals have completed during the year are available online at www.ipha.org. If you do not have web access or would like a CE transcript mailed to you, please contact IPHA at (217) 522-7300 or ipha@ipha.org.

CE for Nurses:

CE for Nursing Professionals has been applied for.

CE for Dentists:

Continuing Education Credits available and provided by IDPH Division of Oral Health. One CE hour from IDPH is equal to one 60 minute clock hour. The Illinois Department of Public Health is an approved continuing education (CE) sponsor for dentists and dental hygienists according to the Illinois Dental Practice Act. MATEP 2010 has been approved for 3.0 CE hours.

Parking Options: Valet Parking at the Crowne Plaza Hotel is \$10 which is discounted for the event. Participants are responsible for their own parking fees.

*This program is partially supported in part by educational grants from Abbott,
Bristol-Myers Squibb, Gilead, and Tibotec Therapeutics.*

CME and CE credits must pay a \$10 fee to receive their certificate.*

Dear Colleague:

Quality care for the person living with HIV remains to be a major challenge. The clinical management of HIV infection is continually evolving as the nature of HIV infection is better understood and clinical trials evaluate more clearly the effects of new agents. Thus, it is with pleasure that we invite you to attend the *Thirteenth MATEP HIV Treatment Update*, following the *XVIII International AIDS Conference in Vienna, Austria*.

The program is designed for physicians, physician assistants, pharmacists, nurses, and dentists who diagnose, treat and care for HIV/AIDS patients. The educational format will consist of lectures, case presentations, and interactive panel discussions.

Faculty for this symposium includes:

Luther Virgil, MD – Chief Executive Officer, Chief Medical Officer
National Minority Clinical Research Association
Topic: *New Issues in the Management of the Treatment Naïve Patient*

John G. Bartlett, MD – Professor of Medicine, Department of Medicine
Johns Hopkins University School of Medicine
Topic: *The Ten Most Important HIV Management Issues in 2010*

Renslow Sherer, MD – MATEC Co-Medical Director, Professor of Medicine,
Section of Infectious Diseases and Global Health
University of Chicago Hospitals
Topic: *Progress and Perils in the Global HIV Pandemic*

We would like to encourage you to register early by visiting the MATEP Website at: www.matep.org, as onsite registration will not be available.

We are looking forward to seeing you at the *Thirteenth MATEP HIV Treatment Update*.

Sincerely,

Renslow Sherer, MD
MATEC Co-Medical Director
Professor of Medicine
Section of Infectious Diseases and Global Health
University of Chicago Hospitals

Catherine M. Creticos, MD
MATEC Co-Medical Director
Director, Section of Infectious Diseases
Illinois Masonic Medical Center
